NATIONAL AEROSPACE CITY KAMRA

WHERE DREAMS COME TRUE

Overview

National Aerospace City Kamra is a Residential and Commercial Project spreading over an area of Approx 9,000 kanals. The project is located at Attock (connecting City of Punjab and KPK) having prime location i-e adjacent to NASTP, PAC and PAF Base Minhas. The project connects Islamabad, Rawalpindi and Peshawar via M1 and GT road. As per the directives of Worthy CAS the project is aimed not only to fulfil the residential requirement of NASTP but also for the welfare of PAF personnel, furthermore NACK has been made integral part of Aerospace village. The management resolves to provide eco-friendly environment coupled with state of the art facilities, hence it cannot be merely named as a housing or a commercial entity as it entails all the amenities of a luxurious living style. NACK team as per the directives of worthy CAS and guidance of Air staff, restored the status of scheme from an illegal society to a legal society, cleared the members liabilities and efforts remains in hand to make the scheme self-sustainable and a viable option for state of the art living. It is an honor to inform that successful approval of the scheme and its subsequent Publication in Punjab Gazette on 26th Feb 2024 is another milestone achieved with assured development quality. Development activities in society are progressing rapidly.
